Dear Betty,
It's been fun & in H¹/₂,
hasn't it? Have fun this
summer + stay out

Dear Betty, of trees. Sincerely, Joe Soda.
Well - it seems like a awful
long while ago - when we were fresh-
men + here we are seniors - it all
seems like it went so fast. - Stay
sweet + never change. Have a great
senior yr.

Love ya

Well kid it's been a long
year but we made it. Of
course there were things to
break the monotony like
mariners! Don't forget
Rush Street! (Great) I
can't think of anything to
say. You've done so many
stupid things you wouldn't
understand any intelligent
thing I'd say. Except —
I can't wait till N.Y. What
a blast!! We can drink
& smoke everything. Do
you want to know you
corrupted me - I never
smoked till after mariners.

Dear Betty,
It's really been
nice knowing
you these
past years.
Best of luck
to you for the
future.
Whatever you
do.

Foreword

Morton West's "caf" is a picture of confusion before school.

The routine school day including zero hour with its traffic jams, "caf" with endless lines, and seventh hour with countless meetings displays many of the faces of West. There are the stern, but sympathetic visages of those whom we call the faculty who guide us as we pass through our high school years. Still other faces are those of the eager, expectant, and often bewildered freshmen who envy the confident, far-reaching features of the seniors. Entangled between the freshmen and seniors are the sophomores and juniors. These students, clutched in the symbolic web of transition from the impetuous underclassman to the sophisticated upper-classman, show the sometimes worried and confused appearance of a maturing high school student. Other faces can be seen in the extra curricular activities which include clubs, teams, dances, and special events. The mosaic of faces presented by these organizations and events show their high values and purposes. In these additional school activities are the faces of the young musician, carpenter, architect, pole vaulter, teacher, actor, and engineer, who are learning and practicing controls which will be of value later in their lives. The myriad of faces which have distinguished each of the many individuals throughout the school year passes through a strange metamorphosis at certain times. At homecoming a determined, excited face which is maintained throughout the thrill of the parade, the excitement of the football game, and the mixed emotions of the dance is shared by all. Other times when this mysterious transformation takes place are before Christmas when the face held in common by student and faculty is one of happiness and anticipation of the coming holidays, at the Prom when all the faces show the reflections of the past school year and the warmth of another spring, and during the final examinations when teacher and pupil countenances show the anxiety and pressure of the final days. All these faces, whether they be that of the individual or that of a mutual effort, are combined to make up the many faces of West.

The half-time activities during the Homecoming football game provide some of the most exciting and colorful scenes of an unforgettable day.

The everyday pattern of West is complemented by the many special events which occur throughout the school year. During the fall football season, everyone's attention is focused upon Homecoming. A Friday afternoon pep assembly starts the activities for the Homecoming weekend. Saturday features a colorful parade in the morning, an exciting game in the afternoon, and the culminating dance in the evening. Fall is also an important time for the dramatic department of West, for this is the time of an all-district dramatic production presented through the combined efforts of Morton West, Morton East, and Morton Junior College.

Everyone, especially the members of the Senior Class, awaits the coming of spring. One reason is one of the year's biggest events, the Junior-Senior Prom. It is the social affair which every girl dreams of attending. With spring also comes the termination of the school year. This time is most important for the seniors, for it is much more to them than the normal experience of mixed emotions caused by the final exams and the coming vacation. For them it is also the end of a familiar way of life.

Tony (Paul Shramovich) and Maria (Christine Minala), the Romeo and Juliet of the all-district production *West Side Story*, meet at a dance as tensions rise between the two rival gangs.

Dear Betty,
I would like to
wish you the best of
luck and happiness in
everything you do.

A steam engine is one of the marching band's formations for the halftime program.

The 1963 Homecoming festivities began on Friday afternoon with a pep rally held outdoors. The candidates for Varsity and Junior Varsity Homecoming Queens were presented and the winners were announced. Senior Barb Ratay was elected Varsity Queen, and Sophomore Trish Wetzel, Junior Varsity Queen.

The 1963 Homecoming will be remembered as the first in the history of Morton West not marred by inclement weather. The day was cloudy but the parade and the football game were both completed without a drop of rain.

This year's homecoming dance, "The Velvet Swing," following the Roaring Twenties theme, was a perfect end to a delightful weekend.

The most important faces of West are the learned countenances of the faculty. Its members are competent and sure. They aid the students in advancing in their high school careers and help them in preparing to attain their positions in the adult world. Board of Education

The Board of Education is responsible for the effective operation of the school program. To comply with the educational needs of the young people of our community, the members of the board decide the policies of the Morton schools and see that the administration and the staff perform the necessary steps for their establishment. Other important functions of the board include: the approval of the budget, the adoption of textbooks, and the employment of all staff members.

Superintendent - me

Dear Betty,
all the best
there is to you.
Your fearless leader,
Jan
Abel

DR. WALTER L. COOPER

The position of superintendent of Morton High School and Junior College requires a man of superior administrative strength. Dr. Walter L. Cooper admirably fills this position by performing the various duties confronting him in a manner of excellence. By providing the information and advice needed in the formulation of district policies, plans, and programs, Dr. Cooper

leads his professional staff in the continuous improvement of the educational program and school services. Among his other major responsibilities are the development, adoption, and administration of the school budget and the coordination of the activities of the board of education, administration, teaching staff, and student body.

Administrators

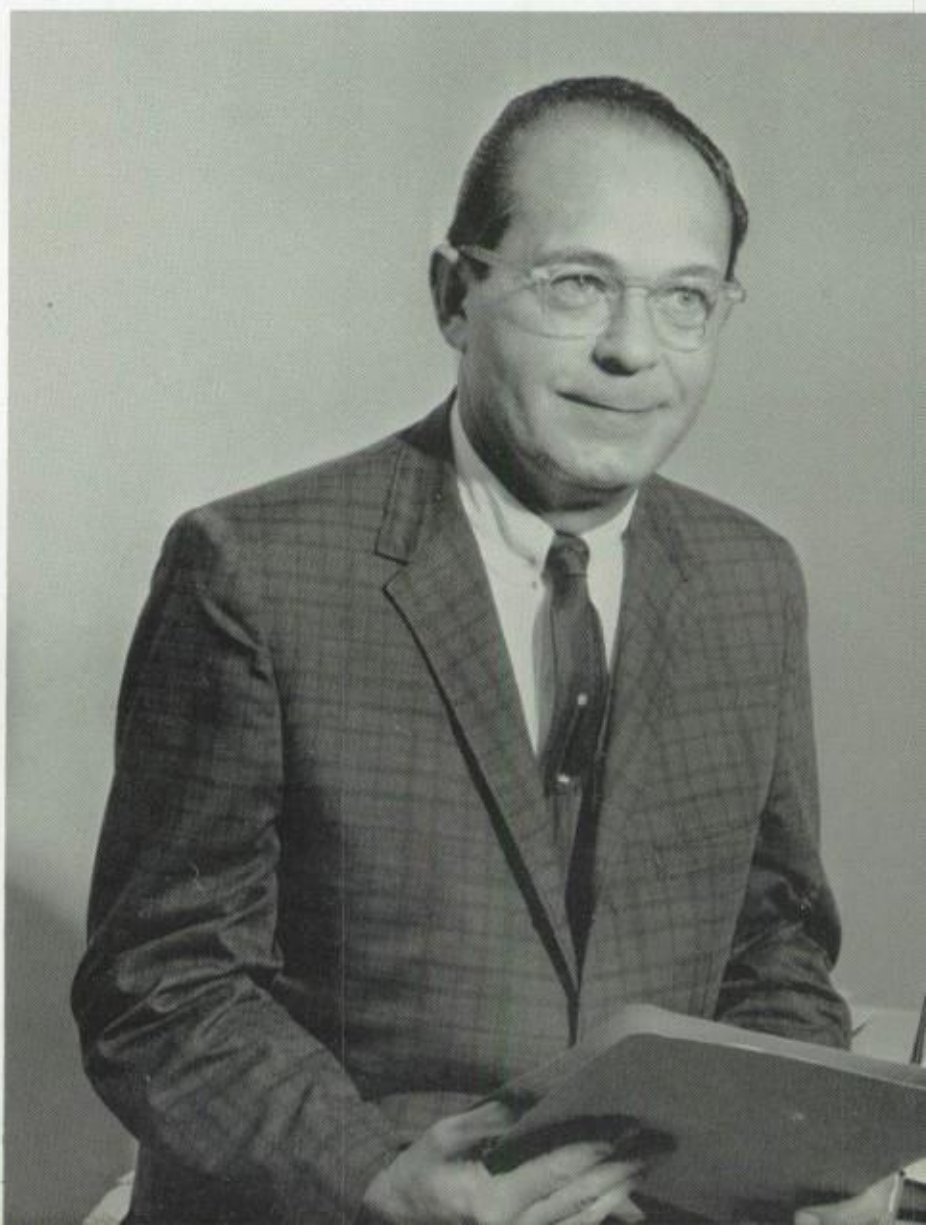

DR. ROY C. TURNBAUGH

Dr. Roy C. Turnbaugh, assistant superintendent of the Morton schools and principal of Morton West, is confronted with a variety of important duties. To provide an outstanding experience in learning for the students of Morton West, much of Dr. Turnbaugh's time is spent in discussing with the department heads the educational difficulties that arise in their respective areas. Besides maintaining an efficiently run high school, Dr. Turnbaugh through his collaboration with Dr. Cooper, the superintendent of the Morton schools, and Mr. Kelley, the principal of Morton East, is instrumental in formulating district-wide plans and procedures. Nevertheless, Dr. Turnbaugh finds the time to maintain a close contact with his student body by presiding at our assemblies and meeting with the student groups and individual students.

MR L. C. E. PRUCHA

As assistant principal, Mr. L. C. E. Prucha is one of the busiest persons at Morton West. He assumes the primary responsibility for the school's programs of student government. Another of his responsibilities is to handle the details of registration which include: preparing daily programs, adjusting and balancing classes, and handling transfer students. Mr. Prucha devotes much of his time to supervising the maintenance of the student records and providing for an adequate program of extracurricular activities.

As curriculum coordinator, Dr. Cervený aids the division heads and teachers in developing a strong curriculum for each of the departments. As the base of his recommendations, Dr. Cervený conducts research in the field of student program election and is also concerned with the articulation of the programs of the elementary schools and Morton so as to minimize duplication and avoid overlap in education.

DR. V. J. CERVENÝ

As business manager, Dr. Joseph Ondrus has the immense responsibility of directing the financial affairs for the Morton schools. Preparing the budget, purchasing school equipment, regulating the cafeteria's financial business, and managing the schools' insurance policies are among the duties that face Dr. Ondrus.

DR. JOSEPH ONDRUS

To inform the community of the various functions of the school, Mr. Tuleen, the director of public relations, handles all the newspaper publicity for Morton. By attending conferences at various colleges and universities, he is able to maintain working relations between Morton and these institutions of higher learning. Because of his conviviality, Mr. Tuleen is a man that is well suited for his position.

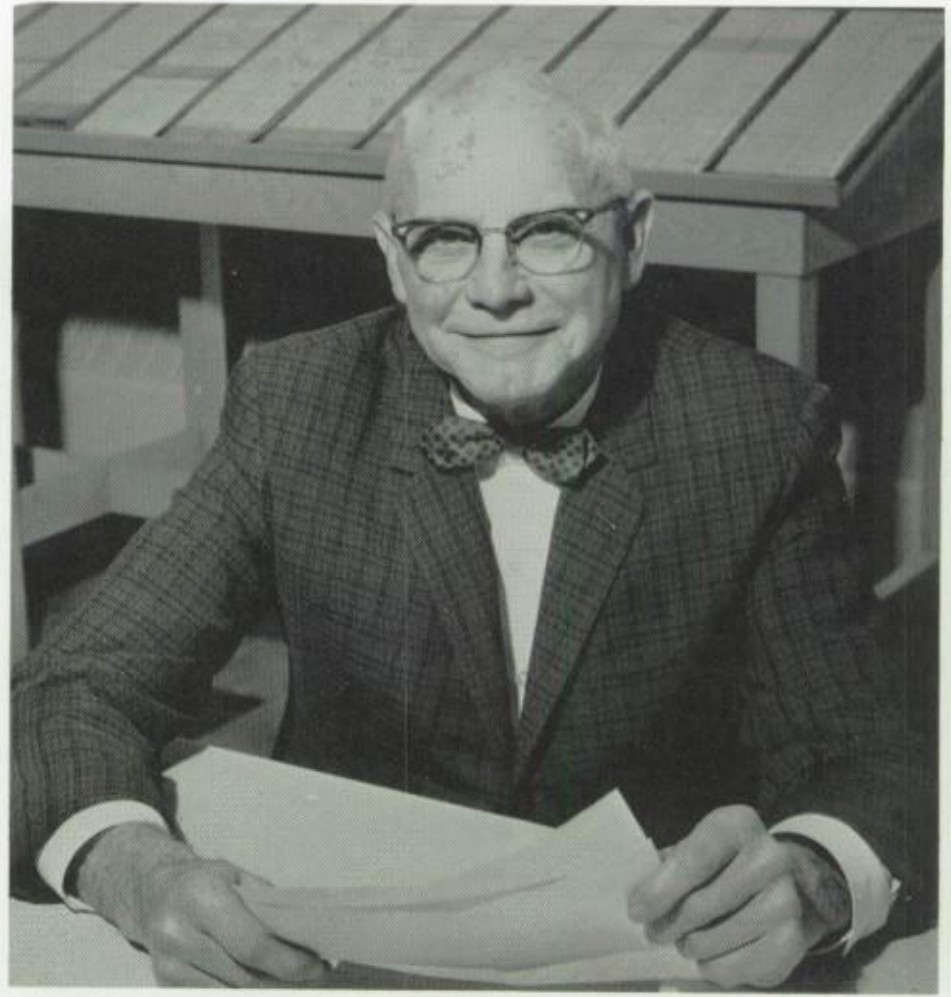

MR. L. F. TULEEN

Deans

MISS E. JAHELKA

MR. E. A. WRIGHT

The deans' office is the center of aid at Morton West. The positions of administrative deans are proficiently filled by Miss E. Jahelka and Mr. E. A. Wright. The important task of counseling a student is started in the deans' office. Miss Jahelka and Mr. Wright are concerned with guiding the students so that they will find their own difficulties. Their chief responsibility is helping the students while disciplining them. Some of their other duties include: the control of attendance, the recording of absences, and the task of assigning members of the faculty to hall and cafeteria supervision.

Every day is filled with activity for our attendance secretaries, Miss Anderle and Mrs. Hermanek. The recording of absences is their major responsibility; however, they also assist the deans in disciplining the students. The deans rely upon these two women to assist in running the office smoothly and efficiently.

RECEIVING

As receiving manager, Mr. Davis assembles all shipments arriving at Morton West and then delivers them to the various parts of the building. Items received include everything from pencils to be sold at the supply store to stoves for the Home Economics Department. Not only are parcels received, but they are also sent out. Mr. Davis performs both duties with speed and efficiency.

Mr. J. Kawczynski is Morton's supply store manager and cashier. He handles all finances collected from fee tickets, fines, and activities. The responsibility of selling tickets to the various athletic contests of the school is also delegated to Jack. The selling and ordering of supplies is another task which he performs.

SUPPLY STORE

Mrs. K. White and Mrs. L. Nelson work closely with Mrs. Varda, the records clerk, in maintaining accurate records for the students of Morton West. They are also responsible for assembling program cards and registering withdrawals and program changes. The issuance of report cards, the preparation of a master absence list, and the registration of all school events are among the other duties performed by these women.

MISS L. CONSIDINE, MISS C. ADAMS

DR. T. J. JASINSKI

DR. H. S. SMEJKAL

Aside from administering first aid, the members of the medical department contribute greatly to the smooth functioning of our school. They assist in placing students in classes that are conducive to their health and also advise teachers on the physical condition of these pupils. The staff members also secure a variety of literature and films for the science and health departments and are concerned with the control and prevention of communicable diseases. Thereby they aid the entire community as well as Morton West.

The activities of the office staff are many and varied. Because there are so many diversified duties these women perform, they must be proficient in a number of fields. Such tasks as the recording of permanent records for each student enrolled, the filing and distributing of report cards, and the regulating of finances confront these women. The contracting of substitutes, the transacting of the business for the Morton Scholarship League, and the answering of the switchboard are among a series of other responsibilities that must be fulfilled.

The cafeteria staff is concerned with preparing and serving food to the hundreds of hungry people at Morton West. Two types of meals are served, the complete dinner and the supplementary lunch. Both of them are well planned and carefully prepared.

The maintenance staff of Morton West accomplishes the important task of cleaning and repairing the school so that it remains in top condition. The men and women on the staff are responsible for the setting-up of equipment for the various school activities and for the proper care of the school grounds and athletic facilities.

TOP ROW: F. Miller, J. Bohadlo, F. Karner, C. Arrigo, F. Hokr, SECOND ROW: F. McNichols, K. Mucha, A. Schoepf, G. Rohlicek.

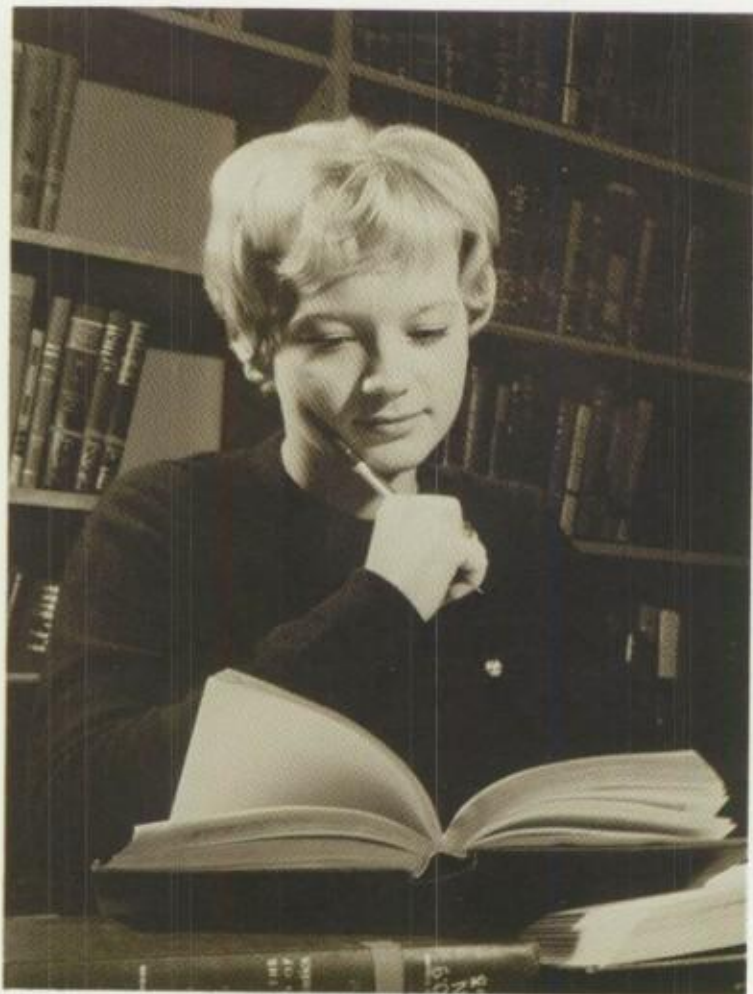

A student's face is a proud one. At West the latest teaching devices, modern facilities, and capable teachers are always available to the student. The student, through his course of study, can start out to attain his life's goal. Morton, with its large and wide curriculum, provides a good beginning for any student.

Under Mr. A. N. Bossieux's instruction, George Van Cura, Alexa Tarr, and Sue Prazak work on an interpretation of one of Emily Dickenson's poems as part of their study of American literature during their junior year.

CLASSES

As an honor student Marilyn Dusek has the opportunity to use the library's seminar room.

DEAR BETTY,

Good Luck to you & the

BEST of LUCK IN the FUTURE YEARS.

YOU ONE of the SWEETEST GIRLS, I

HAVE EVER MET. HAVE A WONDERFUL

SUMMER,

LOVE Y'q'

Shirley F.
Bates

Carol Stech, Diane Poteracki, and Cynthia Najfus will make use of the practical knowledge they obtain in their clothing class.

Diane Rezek and Phil Kasik develop their musical talents as they strive for perfection through hours of practice.

The ability to take shorthand will aid these girls as they enter into the business world.

Barbara Borch and Carnela Malek express themselves creatively through sculpturing.

The record library not only supplements the studies of Don Koziol and Darlene Santarelli, but it also offers a pleasant break in their school day.

The language lab is used to improve the ability to speak a foreign language.

A dramatic interpretation is offered by student director Amanda Slattengren to actresses Gail Brana and Cathy Elwardt.

In Mr. A. J. Jerabek's Russian class, Francine Malek reads a selection from the grammar book to the class.

Russel Sklenicka, Paul Woldy, Linda Mayer, and Barbara Thorsen find material for their research papers in the library.

Language Arts

The Language Arts Department has one of the most important jobs in education, for language is the medium of communication. Through language one can express himself and can exchange ideas with others. Freshman English classes participate in a unit of oral communication. By stressing clear and logical expression, this unit prepares students for future work on research papers. The course in word origins also strives to aid students in their ability to communicate through building vocabulary. The study of a foreign language adds to one's ability to communicate with people of different cultural backgrounds and to better understand their customs. Language classes use the language laboratory to aid in the learning of grammar and pronunciation as well as to increase comprehension.

Literature is another form of communication. Freshman English classes study mythology while sophomores study the novel, the biography, and the basic forms of poetry. The junior year deals primarily with American literature. Courses in English, world, and dramatic literature are offered to seniors. Through understanding literature, students enrich their own lives and improve the society in which they live.

Drama is still another means of communication. Literature and ideas are brought to life through plays, and life itself is made more meaningful. Beginning classes in dramatics are open to all students. Advanced acting workshop, costume design and construction, radio and television techniques, and technical production are offered to students. Morton's radio station, WJSM, broadcasts all day and has a closed circuit to McNeil Hospital. Debate is designed to improve the ability to communicate orally through developing skills in gathering evidence, making logical analyses, and speaking well in public.

Linda Lolis, Alice Lenson, and Tom Engle study newspapers from various sections of the country in preparation for their journalism class.

Mr. O. V. Myers explains a geometric principle to his second year honors class which covers all phases of plane and solid geometry.

Math and Science

The Math and Science Department offers courses which aid students in understanding the world about them. Math courses include general math, algebra, plane and solid geometry, and college algebra and trigonometry. The department also has an honors program which continues on into analytic geometry and calculus. By applying the fundamentals of mathematics, students are able to solve problems found in everyday life. Also, mathematical terms are used to express and make clear the meaning of such terms as time, space, and the speed of light. Through the understanding of these terms and the study of higher mathematics, progress is made in our society.

As students see the relationship of science to their personal and social lives, they better understand the world about them. Classes in general science, biology, earth science, physics, chemistry, and advanced biology aid students in knowing and understanding themselves and their world. Through this knowledge students can adjust to their environment and can contribute to the improvement of society.

In the college biology class, Mary Zielinski and Less Kott conduct a biological investigation on comb jellies.

Members of Mr. W. J. Adleman's class discuss geographical factors of American history.

Social Science

Although the study of world and American history is important, it is only a part of the wide and varied program of the Social Science Department. Other courses deal with such topics as foreign affairs, economics, delinquency, crime, intercultural movements, American government, education, and the conservation of human and natural resources. The department also sponsors frequent trips to the State Mental Hospital where students observe groups participating in group therapy.

These social science courses confront students with many complex national and international problems. Students are not expected to find definite answers to these problems; rather, these problems challenge students and interest them in our society. The department provides students with an insight into social structures and processes and strives to develop abilities necessary for effective participation in the life of a free society.

Business

The Business Education Department provides a comprehensive study in the business field that enables students to prepare for occupational circumstances that they will face in later life. The department offers a variety of courses that appeal to students preparing for college and to those who will be entering directly into the business world. The primary objective of the department is to give students a general education in the business field. Studying secretarial courses such as clerical training, vocational typewriting, filing, and office machines, students are able to develop many valuable skills.

Being given excellent opportunities to work in and out of the classroom, students interested in business benefit greatly by taking such courses as office occupations and distributive education. By participating in these classes, students are able to develop good work habits and business-like attitudes and obtain an understanding of the business world in relation to our society.

Students in business education courses develop efficiency in the use of many kinds of office machines.

In the Music Department, Mr. J. Chiado organizes many practice sessions for the choral groups both during and after school.

Having a laboratory atmosphere, the art classes allow students to work out problems with one another.

Music

In the Music Department a wide scope of courses are offered to interest a variety of students and to accommodate the needs of students varying in ability. The instrumental and vocal programs contain organizations for both beginners and advanced students of music. Through these programs an extensive range of music is provided to aid students in appreciating and understanding many musical forms. The department encourages their students to participate in musical activity throughout their lives so that they may in turn influence future generations to study music.

Musicians of Morton West may be seen performing in many different places and manners. Members of the bands and orchestra form ensembles which play for church and civic organizations as well as for the school. Vocal groups such as the Note-A-Belles, Harmonettes, and Vocal Workshop also sing for a numerous assortment of organizations. These musicians are therefore offering their services to both the school and the entire community.

Art

The basic objective of the Art Department is to provide cultural enrichment courses that stress the aesthetic rather than the practical qualities of art. Although the Art Department does not aim to train art students vocationally, some of the pupils develop skills and techniques that they may continue to use in the commercial art field. Subjects taught included: basic art, painting, dress design, jewelry, pottery, sculpturing, printmaking, and photography. A variety of equipment is needed in order to conduct the more advanced classes. Interesting apparatus found in the department include: the silk screen, the etching press, the welding outfit, and the kiln. Also important are the numerous hand tools that are used to express the creative ideas of the artist. Through the cultivation of art, students are able to develop creative personalities and may therefore derive new meaning from life.

The auto shop is as well equipped as most dealers' service departments.

Industrial Arts

Two types of shop work and drafting offered in the Industrial Education Department are industrial arts and vocational industrial arts. In industrial arts classes pupils learn to work with many different materials, procedures, and processes. As students develop special interests and skills, they are aided in making an occupational choice. Classes in this program may also be a preparation for a vocational subject.

Vocational industrial subjects aid students in developing vocational skills. Such classes are very similar to experiences that one would encounter in industry and are therefore of use to students who are undecided about their occupation and want to test their interest.

While gaining valuable classroom experience, students in the Industrial Education Department are also serving their school. Students in printing classes print tickets and programs for most of the school's functions. In the auto shop teachers' and students' cars are repaired. The Industrial Education Department is willing to perform any task that could be accomplished with their equipment. Through these practical experiences students gain a better understanding of the industrial society in which they live.

In girls' foods, students learn to plan balanced menus and to develop skill in food preparation.

Home Economics

The Home Economics Department is interested in providing a basic background of home making. Since the girls of today will be homemakers and parents of tomorrow, classes in this department endeavor to prepare them for life. Girls not only learn to apply the principles of practical home living, but also practice the fundamentals of consumer buying, meal-planning, and sewing. Because of its importance in home living, safety is stressed in every class throughout the department.

First year students study two basic units; one is on the principles of foods; and the other is on the fundamentals of sewing. More advanced classes in clothing and foods study specific and more difficult problems that arise in their areas. There is also a home making class that studies such subjects as: child care, budgeting, and family problems.

The Home Economics Department offers many services to the school. The first year classes prepare teas throughout the year. The Christmas Tea is a departmental project worked on by all the classes. At an annual style show girls model clothes that they have made during the year.

Physical Education

The Physical Education Department strives to promote good physical and mental health, to develop good sportsmanship, and to provide physical recreation. Oral polio vaccine and tuberculin and heart tests are administered through the department. All freshmen and juniors, as well as all boys who participate in sports, are given physical examinations. The department is also in charge of driver education. All students receive driving instruction as sophomores and may apply for actual behind-the-wheel driving their junior or senior year. Aside from participating in various sports and activities, both boys' and girls' physical education classes study such subjects as first aid and hygiene. Girls' classes also study home nursing and child and baby care. There are both boys' and girls' leadership classes. In these classes students are trained in all sports so that they may assist physical education teachers and coaches. Girls also have special classes in life-saving and modern dance. Each year the department sponsors a program in which students demonstrate their activities in physical education.

Leader Sue Gilhooly aids two of her girls in developing skill on the rings as part of their instruction in apparatus.

The boys' leadership class develops skill in volleyball as well as many other sports.

Connected with the Physical Education Department, the driver education program offers the best and most modern equipment for its students.

Summer School

Last year 1,700 students attended summer school at Morton East and West. Courses are open not only to those who need certain credits for high school graduation or college entrance, but also to those who desire to improve themselves and enrich their own lives. Subjects are offered whenever there is sufficient enrollment. All social science and English courses, mathematics, personal type-writing, general science, and economic geography are subjects most likely to be taught during the summer school session. Courses in art and dramatics are held at Morton West. Each Monday assemblies are held to inform and entertain students. Morton also publishes a newspaper during its summer session. At the end of its two four-week semesters a formal graduation exercise is held for students who have completed requirements for high school graduation.

For those seniors who have earned their final credits, a formal graduation is held at the end of summer school.

Bill
Majewski*

Dear Betty, Here's best wishes to a swell guy. Good Luck in the future, although I doubt whether you'll need it. Have a wonderful summer. Here's hoping I see you next year.
Love, Patty Pouliot.

The most cherished memories of one's high school days at Morton are to be found carefully stored away between the covers of the TALON. Many years after the reader's actual school life has ended, the TALON continues to live on in one's memory. Yet, the TALON is more than a mere memory book. Beneath its covers lie the many long hours of tedious effort. Under the supervision of its new advisor, Mr. R. C. Hegner, a theme, cover design, and color scheme were decided. Gradually the various editors proceeded to design layouts, schedule pictures, and write copy. As the deadline approached, the activity in the office increased until the book was finally sent to press. Interspersed throughout the year, however, are the picnics and parties which strengthen the friendships of a harmonious group. Thus, the year sadly closes as old members leave and new members enter.

Falcon

Maryjane Schrantz and Bev Bolociuch work hard to get their articles out on time.

Dan Brasic and Mr. T. P. Kazakos discuss a new plan for the next issue.

FALCON STAFF . . . The Falcon Staff is comprised of members showing an ability in journalism and an interest in the school paper. They are hard working students whose main purpose is to keep the student body informed of the school news. Under the guidance of Mr. T. P. Kazakos, their advisor, the staff members get valuable experience by writing the articles and a fine feeling of satisfaction to see their work in print. Writing, however, is just part of their work. There is also proof-reading, typing, photographing, and other little but tedious jobs the staff must do. The outstanding members are then honored in the Quill and Scroll Society.

Tom Engel, Kevin Matz, and Richard Godlewski consider a new picture arrangement.

Mike Sandberg, Paul Ander and Ron Popper are glad to report a victory for our team.

Our speech contest will be next week.

TOP ROW: Mr. I. Rogers, P. Woldy, R. Baumgartner, L. Melka, T. Upshur, A. Schippits, M. Daniele. SECOND ROW: M. Moretti

L. Divis, J. Sveda, J. Krno, J. Vacek, R. Sklenicka, BOTTOM ROW: K. Felix, D. Dolan, C. Scilingo, S. Wolfe, M. Rybacek.

NATIONAL FORENSICS LEAGUE . . . The basic aim of the league is to raise the standard of speaking. To accomplish this, Mr. I. Rogers, the adviser, backs the members in participation in public speaking events. The league provides

national tournaments so that the members can compete with and observe many outstanding speakers. The Morton West chapter of eighty-four members is the largest in Illinois.

TOP ROW: K. Schizik, R. Poeschl, J. Vetnick, B. Fedorow, R. Conrad, Joe Kmoch, R. Laszewski, H. Hruby, P. Houdek, J. Krukoff, C. Court, E. Mikel. SECOND ROW: C. Busse, A. Strojny,

C. Arch, G. Gast, J. Verbik, D. Heyda, G. Ernst, Mrs. E. M. Lewandowski. BOTTOM ROW: J. Castaldo, J. Craig, M. Brda, F. Knafl, K. Mickenbecker, M. Erbaugh.

Our next debate will be on government.

TOP ROW: C. Zmrhal, S. Homola, L. Kucera, M. Lohr, C. Fornell, D. Cooper, S. Fojut, C. Balija. SEATED: B. Kolarik, D. Ebert, P. Prange, P. Woldy, G. Ernst, Miss M. Clifford.

This story looks interesting.

FLEDGLING . . . The Fledgling is the newest of our publications. The staff is chosen by English teachers on the basis of writing ability and creativity. Then with the help of Miss M. C. Clifford and Mrs. M. P. Stowers the members write articles and poems and also select the best works submitted by other students for the publication.

They look forward to a successful future.

TOP ROW: D. Dolan, J. Taraba, M. Hart, D. Ebert, C. Kopecky, T. Kestian, P. Kasik. SECOND ROW: Mrs. R. M. Kohout, C. Arch, M. Pabst, K.

Comparini, M. Zielinski, R. Castensen. BOTTOM ROW: N. Carlson, J. Fishel, G. Konvalinka.

SENIOR HONOR SOCIETY . . . It is truly an honor for a student to reach this high goal and become a member of the Senior Honor Society. The faculty votes on the upper third of the junior and senior classes, but only five per cent of the juniors and fifteen per cent of the seniors are accepted. The new members are initiated at the Annual

Honors Banquet, which Senior Honor Society co-sponsors. Under the guidance of Mrs. R. M. Kohout, the members maintain a tutoring service for any student who wants help in a subject. They also send letters to grade schools containing the names of the honor roll students who graduated there.

TOP ROW: J. Vacek, B. Mikuska, R. Kasik, J. Roberts, K. Callahan, T. Nacarrato, T. Dolecek. SECOND ROW: L. Kott, M. Anderson, P. Evenhouse, A. Strojney, Don Heyda. BOTTOM ROW: S. Riedell, M. Pavlik, J. Babka.

Achieving this goal brings a feeling of accomplishment.

TOP ROW: C. Hanzlik, G. Jahnke, S. Vocelka, R. Moutvic, M. Kastle, J. Sveda. SITTING: L. Divis, M. Radke, J. Warren, B. Thorsen, P. Prange. BOTTOM ROW: N. Wilber, P. Musil, L. Kec.

These Juniors set up the weekly events bulletin board.

JUNIOR HONOR SOCIETY . . . Junior Honor Society is a national organization designed to recognize students who are outstanding in leadership, scholarship, citizenship, service, and character. To be eligible, a student must maintain a "B" average throughout his freshman year and then be voted upon by the faculty. Under the leadership of Mr. R. T. Knopik, the members maintain the bulletin board which announces weekly events and are in charge of the honor rolls.

G. Remp, C. Albert, W. Cernota, D. Krupicka, S. Homola. KNEELING: J. Paitl, J. Papach, L. Mayer, C. Zmohal.

Members are outstanding in scholarship, citizenship, and service.

DEBATE . . . The Debate Squad consists of a group of students learning together to be good debaters. They are taught to do research properly, think clearly, and speak effectively with a purpose. Under Mrs. Lewandowski, the students undergo 18 tournaments and compete at other schools.

The goal of each debater is to be on Rebuttal.

STANDING: I. Rogers, R. Laszewski, J. Vetnick, A. Strojny, D. Heyda, R. Conrad, B. Fedorow, J. Knoch, J. Krukoff, P. Houdek, H. Hruby. SITTING: E. Lewandowski, J. Castaldo, J. Verbik, R. Poeschl, C. Court, E. Mikel, K. Schiszik, C. Busse. KNEELING: J. Craig, M. Brda, C. Arch, Mickenbecker, M. Erbaugh, F. Knafl.

RADIO GUILD . . . Providing Morton with listening music every morning, the Radio Guild serves its purpose well. The members are each given a chance to increase their skill in sound and disk jockey techniques. This has been the fourth year of having a Radio Guild here at Morton with a steadily increasing membership.

Members broadcast a radio program every morning from WJSM.

TOP ROW: W. Jozwiak, J. Stanicek, R. Russell, J. Knoch, L. Melka, E. Jilek, J. Sibrava, R. Conrad. SECOND ROW: P. Stathakis, J. Klimes, C. Busse, R. Baumgartner, T. Thomason, C. Kapes, R. Birsa. THESPIANS . . . The National Thespian Society is an honor society for students in the theatre arts. The future members, who will apply for membership after they have earned twenty points in stage work, must receive a majority of a fifteen possible votes in order to be accepted. As its contribution to the education of its members, the society with the help of its adviser, Mr. I. Rogers, sponsors a film series and sends deserving members to a dramatics summer school.

Acting plays an important role in every Thespian's life.

Governing student affairs is their job.

SEATED: Mr. Palmquist, M. Roberts, J. Sveda, J. Hybl, R. Most, L. Turner, K. Callahan, Mr. Preikshat.

EXECUTIVE COMMITTEE . . . The Executive Committee is made up of the officers of the Morton West Student Council, who are elected each year by the student body. It governs the student affairs of the school. The members of the committee attend the Northeast Conference and the state convention. They also plan social activities.

SCHOOL SPIRIT COMMITTEE . . . All of the cheerful signs and posters that one can see displayed in school which cheer our teams on to victory are the work of the School Spirit Committee. Their work is never done. If they aren't cheering for our football squad, they are encouraging or rooting for our basketball team. Besides giving us pep, they also help to keep us posted on future games.

POM-PON GIRLS . . . The Pom-Pon squad, composed of twenty-five junior and senior girls, promotes a feeling of school spirit which is backed by each girl's personal enthusiasm. The rhythm, co-ordination, and dancing ability of these girls is incorporated in the planning of their dance routines. Although these girls practice three days a week, Mrs. J. M. Anderson, their adviser, expects them to maintain at least a "C" average.

In addition to entering a float in the homecoming parade, they also have

a mum and pennant sale every year. The club, advised by Mr. P. Magro, is responsible for buses and chaperones to all out-of-town games and gives a banquet at the school for the basketball players. These girls have fun while promoting school spirit so that this organization makes a fine contribution to our school.

West Side Story

All our hopes, dreams, and beliefs lie untouched in the realms above waiting for us to reach out and conquer them.

The rhythmic jibe of jazz beckons the inhabitants of New York's west side to develop creative dance routines.

One of modern society's most famous love stories, *West Side Story*, was presented in November through the combined efforts of Morton West, Morton East, and Morton Junior College's talented drama students. This modern adaptation of William Shakespeare's *Romeo and Juliet* was successfully cast with Paul Shamovich as Tony and Christine Minnala as Maria. West students participating in the vast production were Willy Vrba, Dee Dee Dolan, Karen' Huss, Steve Poulos, and Mark Poulos. All of the production dates were complete sellouts which vividly signified the huge success felt by all people involved in this cooperative district-wide play.

Fate seeks out her intended victim in order to bring an understanding to both sides of a human conflict.

ART CLUB . . . The members of Art Club, under the supervision of Mrs. N. N. Cleckner, Mr. G. R. Langley, and Mr. J. Powell, strive for individual improvement of their talent. By means of various field trips to museums, to Old Town, and to several collectors' shows, the members gain a greater scope of the art world. The club sponsors an annual holly and mistletoe sale at Christmas and also sponsors a banquet in the spring at which the members are presented with their club's "M" and various other awards.

Their interest lies in all forms of art.

ARCHERY CLUB . . . Although only its second year of existence at Morton, the Archery Club, under the direction of Mr. W. J. Adelman, has provided students interested in archery a chance to better develop their skills in this sport. All members must furnish their own equipment. Each student works hard in preparing for a club tournament that takes place at the end of the year.

ARCHITECTURAL CLUB . . . The Architectural Club provides a fine opportunity for students to learn much about the fundamentals of architecture and to use what they learn to the best of their advantage. Under the guidance of Mr. L. Cundiff, the members are given information on scholarships open to those interested in the growing field of architecture. This year the club took a trip to Marina Towers to study the kitchen designs used in the modern apartments.

All architectural structures prove to be interesting.

SADDLE CLUB . . . Mrs. C. S. Roach, the adviser of Saddle Club, tells us that the main purpose of the club is to promote healthful recreation for those who find a common interest in riding. The members of the club try to go horseback riding at least once a month. The members enjoy a trip to the International Horse Show and a trip to a dude ranch in the spring. To provide funds for their own horse show held in the spring, the club holds a St. Patrick's Day carnation sale.

HI-C . . . Hi-C is a nondenominational club for all students wishing to develop their religious education and beliefs. Through Bible studies led by Miss R. M. Strebblow, the adviser, guest speakers, or members themselves, one can acquire a better understanding of different faiths. For members interested in a religious career, missionary speakers and films are presented. Several musical programs and morning prayer meetings are enjoyed by all. The main goal of the club is summed up in its motto, "To know Christ and to make Him known." So through their meetings, they are taught about Christ and discuss ways to be good examples to teach others.

An understanding of religion is important to teenagers.

BOYS' PEP CLUB . . . Being small in number didn't stop the Boy's Pep Club from participating in school activities by cheering to rally students and athletes' school spirit. Under the guidance of Mr. P. Magro, the boys work together with the Girls' Pep Club by sponsoring sock hops, turning out homecoming floats, and giving real enthusiasm and school spirit to our athletes and student body.

Their enthusiasm is catching.

TOP ROW: G. Vyhnaner, D. Suda, S. Steffek, J. Wujciga, J. Marino, Mr. P. J. Magro. BOTTOM ROW: C. Smith, J. Slowiak, W. Nemetz.

FUTURE BUSINESS LEADERS OF AMERICA . . . Future Business Leaders of America helps to familiarize interested students in business through field trips, guest speakers, and demonstrations. Under the leadership of Mr. T. J. Boduch, responsible opportunities are provided by holding offices at local, state, and national levels of the organization. During the course of the year, the students maintain a showcase and conduct surveys on Business Education graduates. Once a year, members attend the state convention at Springfield and also a conference at Northern Illinois University.

FUTURE TEACHERS . . . The members of Future Teachers, under the guidance of Mrs. F. R. Satz, are able to gain a better understanding of their chosen profession. The guest speakers they invite bring them talks on subjects such as the importance of teaching and the qualifications necessary to become a teacher. The members also can get better acquainted with their career by taking trips to colleges and universities. There they have opportunities to talk to teachers and to observe teaching techniques. This club, chartered with both the national and Illinois associations, provides a good basis for the members' futures.

FUTURE NURSES . . . Girls interested in a medical profession or in any related career are invited to join Future Nurses. Our two School nurses, Miss L. Considine and Miss C. Adams, are the advisers and are in charge of the many interesting activities. The girls' year starts out with a get-acquainted tea where new members are introduced. This is followed throughout the year by a series of tours to hospitals, orphanages, and nursing homes. The girls are also given a chance to observe everyday and practical medicine by working in our school medical department during their free periods.

DEANS' AIDES . . . The Deans' Aides perform duties which the deans request of them. Some of these duties include answering the telephone, filing, running errands, and delivering material to classrooms. They also assist the deans in performing a most valuable task — picking up attendance and recording absences. The Deans' Aides are girls selected from study halls to perform these services. It is hard work, but these students enjoy it because they know they are helping their school and themselves.

VARSITY FOOTBALL . . . This was a great year for varsity football at Morton West. Although the Falcons lost their first two games to Riverside-Brookfield and Glenbrook North, the final minutes of the Glenbrook tilt saw speedy halfback Dick Smith return a kickoff 83 yards for a spectacular touchdown. Morton started its winning streak by defeating Deerfield and continued it with consecutive wins over West Leyden, Willowbrook, Proviso West (Homecoming), and Niles West. The Falcons at this time boasted a 4-0 mark in conference play while their next opponent, East Leyden, owned a 3-1 record. East Leyden was an aroused team when the two teams met and defeated the high-flying Falcons 19-13. Morton was forced to settle for a first place tie with East Lyden and Willowbrook in the new Des Plaines Valley League. Seniors Dick Smith and Doug Palmer, co-captains of this year's squad, along with Mike Babka, and Terry Sheehan were voted to the All-Conference team. Next year should be another big year for varsity football as the '63 team carried twenty-two juniors.

During the Homecoming game Mike Babka gets the first down with yards to spare.

Claude Krejci of West's Jayvees returns the kickoff for a large gain.

To start a rally that led to a touchdown Dick Smith rips through the Proviso West line.

JUNIOR VARSITY FOOTBALL . . . This year under Coaches J. Kraus, J. Zupsich, and T. Deizman, the junior varsity football team, which was composed of sophomores and juniors, finished the season in fourth-place with a record of two wins and three losses. Michael Sedivy gained recognition as the team's most valuable player. Joseph Hunt was credited as being the outstanding offensive back, and kicker Russ Ringl averaged a respectable 36.2 yards on kick offs.

FRESHMAN FOOTBALL . . . The freshman football team, under the leadership of Head Coach Hohe and assistant coaches Polz, Fahey, and Bond, won two games and lost five. In their first year of organized football they showed much promise. John Paychek, Joseph Kain, Richard Cianello, Tony Trumbetta, and Frank Martin contributed much to the success of the team.

Cross Country

VARSITY CROSS COUNTRY . . . The varsity cross country team under Coach Gross finished fourth in the conference with a record of two wins and three losses. Led by Ed Stauber, Jim Charvat, Tom Scrachta, Gary McEntire, and John Dibenardo, the harriers gave a good account of themselves to all they faced.

VARSITY WRESTLING . . . The '64 wrestling year found Coach Polz moving up in his coaching duties from the freshman team to the varsity. His able coaching filled the "big shoes" left by the '63 coach, Mr. Geiger. The grapplers' high spirit provided them with the desire to win—which they did. Ninety pounder Chuck Upson and one-hundred-twenty pounder Dan Held were two individuals who did very well. Tom Salerno, Bob Billington, Greg Lemon, and Clarence Goralski were winners at the district meet at Evergreen Park and represented Morton West at the Downers Grove sectionals. Because of the talent of the juniors on the squad, there will be much excitement amid the wrestling ranks in 1965.

Dear Betty, you hope to see me at next year's wrestling class. I didn't try out but I'll be well by American. Lousy Denny Good luck!

J. V. WRESTLING . . . Although the team was made up of a good number of sophs, the jayvees fared well in 1964. Under the leadership of Coach Polz, these boys fought hard and worked diligently. Because of the fine jayvee wrestling material, next year's varsity should be strong.

FROSH WRESTLING . . . Under the direction of Coach Deizman, the freshman wrestlers performed well. Led by John Paychek, who wrestled at 180 pounds, these boys compiled a fine record. With the added experience of the past year the team should provide the upperclass wrestling teams with fine talent.

VARSITY SWIMMING . . . Although the varsity swimming team owned a meek 1-11 record, this '64 season can be looked upon as a good one. Led by seniors Bob Sheridan, Mike Roberts, and Ron Kasik, the team finished fourth in the DesPlaines Valley League Meet. Many Morton West school records were broken this year. The 200 yard medley relay team of Bob Sheridan, Ron Kasik, Les Kott, and Tom Kacena set the school record with a time of 1:55:5. Other records were set by Jim Miller in the 200 yard individual medley, Mike Roberts in the 100 yard free style, and the 200 yard free style relay team of Tom Kacena, Roger Gasa, Les Kott, and Mike Roberts. Coach Bond has instituted a new device which seems to have helped the tankmen. A belt is fastened to the swimmer's waist. A rope is fastened to the belt, and the rope, in turn, is fastened to an inner tube. The inner tube is fastened to the railing of the balcony. This device enables the swimmer to get practice in minimum space. 1965 may not be too much of a brighter year. Coach Bond says that there will be only two or three returning lettermen to the varsity.

*Dear Betty (Bobbles)
It's been a blast swimming with you
and having you in German class that first
few years. I see you after graduation,
always. Love, J. Holoubek*

FRESH AND SOPHOMORE SWIMMING . . . For the better part of the season, the freshmen joined together with the sophomores in forming the sophomore swim team. With Coaches Fahey and Zupsich as directors, the team fared well in the DesPlaines Valley League. The underclassmen showed much spirit and determination. The year's success was shown at the league meet. The 220 yard medley team made up of Chuck Rosengard, Ken Melka, Rich Kropp, and Tom Slad finished high in the competition. Diver Chris Cooper finished fifth in his event. During the season, Jim Templin put his name in Morton West's record books by establishing a new sophomore backstroke record. Because the team showed so much promise, the outlook for swimming seems brighter for the next few years.

VARSITY BASKETBALL . . . Placing emphasis on developing underclassmen and juniors, this year's varsity basketball team ended the season with a record of 9 wins and 13 losses. Four seniors finished the year out—they were John Medlicott, most valuable player, Jerry Wainwright, Adam Miskawitz, and Ron Popper. During the Christmas Holiday Tournament the Falcons were beaten by a fired-up Downers Grove team. They then responded with a thrilling two point victory over the highly rated Maine East team before succumbing to the sizzling shooting of the Leyden West five. During the Regional play Morton West faced rugged Riverside-Brookfield and were eliminated in the state tournament by them. Under the aid of Coach John Capron the Morton West cagers placed one member on the starting five for the Des Plaines Valley All-stars along with several honorable mention players. John Medlicott received a starting berth on the conference team, with juniors Tom Roberts and Jack Dubsky, and sophomores Joe Sibrava and Tom Gribben receiving honorable mention laurels. With the experience gained by these young cagers the varsity in the next few years should provide many thrills and victories for Morton West.

JUNIOR VARSITY BASKETBALL

... Under the fine coaching of Mr. Hank Hohe, the junior varsity basketball team finished in a tie for first place with Willowbrook in their first year as a Des Plaines Valley member. The team finished with an overall record of 13 wins and 4 losses and with a conference record of 8 wins and 2 losses. Among the leading scorers were Ken Stefani with 214 points, Jim Hunt with 165 points, and Jim Alexejun, Paul Ander, and Tom Abram all grouped together with about 120 points each. These five boys constituted the starting five for the most of the season. With the spirit and the determination shown by all the fellows on this J. V. roster, next year's varsity team will certainly be strengthened by their participation.

TOP ROW: D. Vrona, F. Goering, W. Moravec, W. Jozwiak, B. Hatak, G. Havelka, J. Smekal, S. Pace, Coach. SECOND ROW: P. Jenkins, J. Gary, E. Guth, J. Kovarik, D. Roberts, P. Liewald, G. Zmrhal, J. Parizek. BOTTOM ROW: T. Vavrek, L. Chott, L. Thompson, J. Sibrava, C. Zynda.

FROSH BASKETBALL ... The freshman basketball team, under the guidance of Coach Pace, finished a long hard season with a respectable record. The team worked and showed definite improvement as the season progressed. With a year of organized basketball under their belts, they will do their best to uphold the fine Morton tradition in the next three years.

FRONT ROW: T. Vavrek, R. Shattowski.

INTRAMURAL SPORTS . . . Under the guidance of Mr. W. Wilson, this sports program is dedicated to provide year around opportunities for participation in recreational activities. Intramural basketball, track, ping-pong, water polo, and swimming are sports featured in this program. Some new additions which Mr. Wilson has added are weightlifting and volleyball which will be held in the spring. However, because of lack of facilities, such sports as touch football, soccer, softball, and kick ball cannot be offered. Among the winners in the intramural basketball program were seniors Joe Hendricks, John Malina, Emil Venclik, Rich Gliss, and Charles Bachtell. In the junior-sophomore division, Mr. Bond's Globetrotters defeated Mr. Smith's Pistons 38-30 for the championship. Mr. Regan's Runts defeated Mr. Hahn's Late Comers 26-20 in the freshman game.

VARSITY INDOOR TRACKS... Under Coaches Smith, Regan, and Reynolds, the varsity had another fine season in 1964. The team owned a record of five wins and one loss. The boys worked hard in practice and their efforts paid off. The cinder men's success formula was a result of team co-operation. Rich Ellison and Ed Halik provided Morton West with one of the best pole vault combinations in the nation. Only a junior, Halik vaulted 13' 9⁵/₈" to surpass the recognized national indoor high school record. Bruce Self, also only a junior, established a new record in the fifty yard dash. Gerry Glombecki and Tom Ziska teamed up in the high jump to make that event a strong one for Morton West. Jerry Kowal and Larry Erickson showed success in the 440 yard dash.

Well Betty,
we had many many laughs with old Mr. Kohler. How about those weird tests he cooks up or those neat discussions that we took all period. Have fun

Varsity track man Gerry Glombecki set a new record with a high-jump of 6 feet.

FROSH AND SOPHOMORE INDOOR TRACK . . . The freshman team boasted an undefeated season with 6 wins and 0 losses. The sophs, however, did not fare as well. Coach Smith praised Jim Musil for leadership of the freshman team. Musil tied the frosh 50 yard dash record with a :05.9 effort. The four lap relay team of Musil, Radtke, Corcoran, and Kavicky won many times this season. Bill Weiss captured the Morton West frosh mile mark with a 5:09.5. Others who performed well were Burgy Tomasek, Joe Kain, Larry Tkach, and Dan Martinez.

VARSITY BASEBALL . . . The 1963 baseball team, under Coach Pace and his assistant, Coach Kozurek, was one of the best fielded by Morton West in its short history. With a record of 21 wins and only 3 losses, the team took first place in the Interim League. They also gained recognition by taking the District and Regional Titles. Perhaps one of the most exciting games came when Morton West met Morton East. Morton West won the game in extra innings by a score of 9-7. After capturing the Regional trophy, the Morton West nine lost to Lockport in the Championship Sectional game. Morton was, to say the least, a very exciting and prosperous team. Eight players qualified for all-conference honors. Selected as infielders were Bobby Coyer, Roy Malik (who led the team with a batting average of .475), Rod Moss, and Dick Smith. Tony Wachala, George Beranek and Jim Evenhuis were selected for their fine pitching while Lee Mungai qualified for the honor in catching. This team proved that they could continue the fine Morton winning tradition. Many have confidence that the 1964 team with returning lettermen Dick Smith, Tom Jacobs, Bob Fencil, Bob Nespechal, and Dan Brasic will also be a good one.

SOPHOMORE BASEBALL . . . The Morton West Sophomore Baseball Team finished the season with a fine 8-6 record. Coach Cundiff cited John DeBenardo, Bill Nemanich, Alan Schieve, and Tom Kodl for their fine work. A noteworthy fact is that in the games the team lost, the difference in scores was usually less than three runs. Coach Cundiff feels that the pitching staff of the sophomore team will be giving some fine assistance to next year's varsity.

FRESHMAN BASEBALL . . . The freshman baseball team, under the able coaching of Mr. Roger Hahn, completed the season without a loss. The victories were the result of a great team effort and earned the team a first place standing in the Interim League. These boys have helped to continue the fine record in freshman baseball Morton has had and should provide many thrills in the upcoming years.

Outdoor Track

VARSITY OUTDOOR TRACK . . .

Under the leadership of Coach Smith, who led the track events, and Coach Kraus, who led the field events, the '63 varsity track team finished very well. Mr. Smith's fine coaching of the long-distance runners has made them a great asset to the team. Ted Nykiel, Tom Scracta, Harry Kannary, Jim Charvat, and Bob Vacko were members of the relay team that participated in the state meet. Pole vaulters Rich Ellison and Ed Halik also represented Morton West at the state meet. Rich Ellison not only won the pole vault event but set a state record by clearing the bar at 13 feet 9½ inches.

FROSH—SOPHOMORE OUTDOOR TRACK . . .

The frosh-soph outdoor track team found that hard work really does pay off. At the Interim League meet the team scored a second place finish. Here, Rich Mattas set a league record in the shotput with John Miko taking third in the same event. Throughout the season Tom Ziska did exceptionally well in the high jump as did Jerry Kowal in the half mile.

Dear Betty,
It's been real
nice knowing you
and I hope to see
you next year.
Good luck.

Tennis

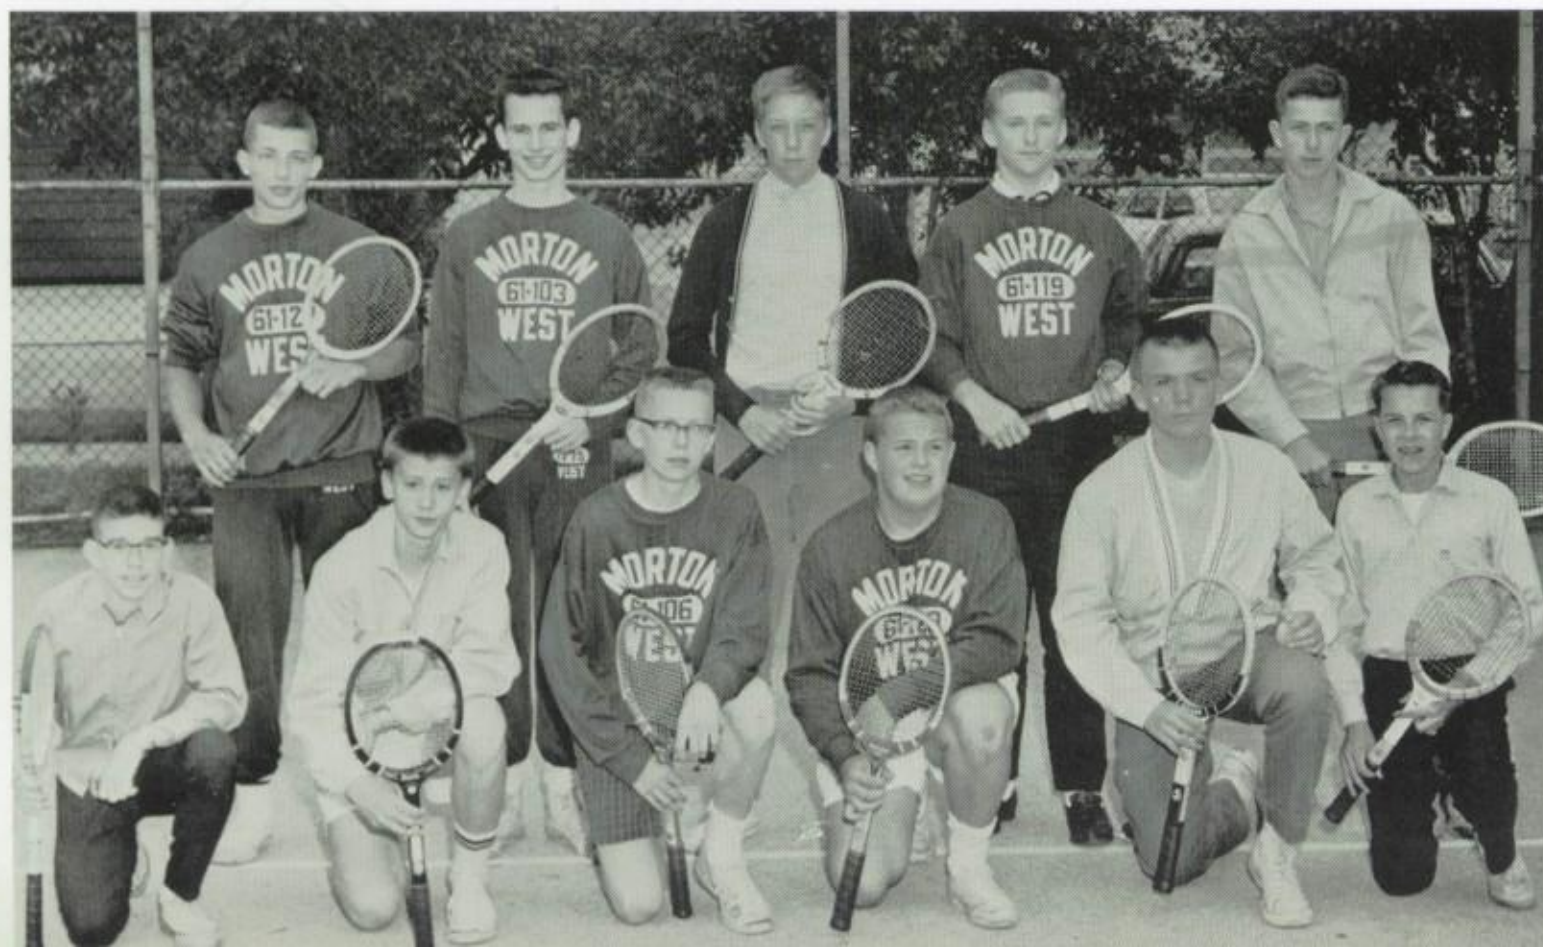

TOP ROW: C. L. Prazak, Coach, B. Weigle, D. Popula, A. Miskawitz, R. Popper, G. Hahn. BOTTOM ROW: C. Michalek, D. Wunderlich, W. Fischer, D. Suda, G. Policky, J. Drechen.

VARSITY TENNIS . . . Although this year's varsity tennis team suffered from a lack of experienced members, the squad developed nicely throughout the season under the guidance of the team's coach, Mr. C. L. Prazak. A welcome addition was George Hahn, who moved up from the sophomore team. With the return of several players, who gained the much needed experience in league competition and the addition of several promising sophomores, next year's team should be a good one.

FROSH AND SOPHOMORE TENNIS . . . With Coach Prazak as their mentor, the sophomore tennis team finished the season with a fine record of 6 wins and 4 losses. Wayne Fisher played first singles with Bill Cernota and Dave Pavish playing second and third, respectively. In doubles competition Rick Jaros and Lad Sakun played first doubles while Jim Zaremba and Chuck Smith played second. Because many players from the sophomore team will take places on the varsity squad, Coach Prazak is hoping for a fine representation from the freshman class.

TOP ROW: J. Zaremba, B. Fedorow, V. Hovorka, E. Knott, I. Kralik. BOTTOM ROW: F. Pravdik, D. Prasil, C. Smith, R. Jaros, D. Pavish, K. Schiszik.

VARSITY GOLF . . . Mr. Soucek coached the varsity golfers. Cyril Ulsky, Dan Star, and Ed Tallach led the team to five victories in eleven meets. At the Interim League Meet, Dan Star placed high among those in the competition for the individual medal with a score of 79. The team finished tenth in the Interim League.

TOP ROW: R. Soucek, L. Kott, J. Trefil, C. Ulsky. SECOND ROW: T. Lastovka, E. Tallach, J. Hahn.

TOP ROW: R. Soucek, E. Novak, P. Lorusso, T. Zitzer. SECOND ROW: D. Slobodnik, J. Zdenek, H. Shimko, J. Kruzic.

SOPHOMORE GOLF . . . Also coaching the sophomore golf team, Mr. Soucek was pleased with the team's strong finish. At the Interim League Meet, Dave Slobodnik placed first shooting a 78. The team finished in seventh place with three wins and eight losses.

Girls Sports

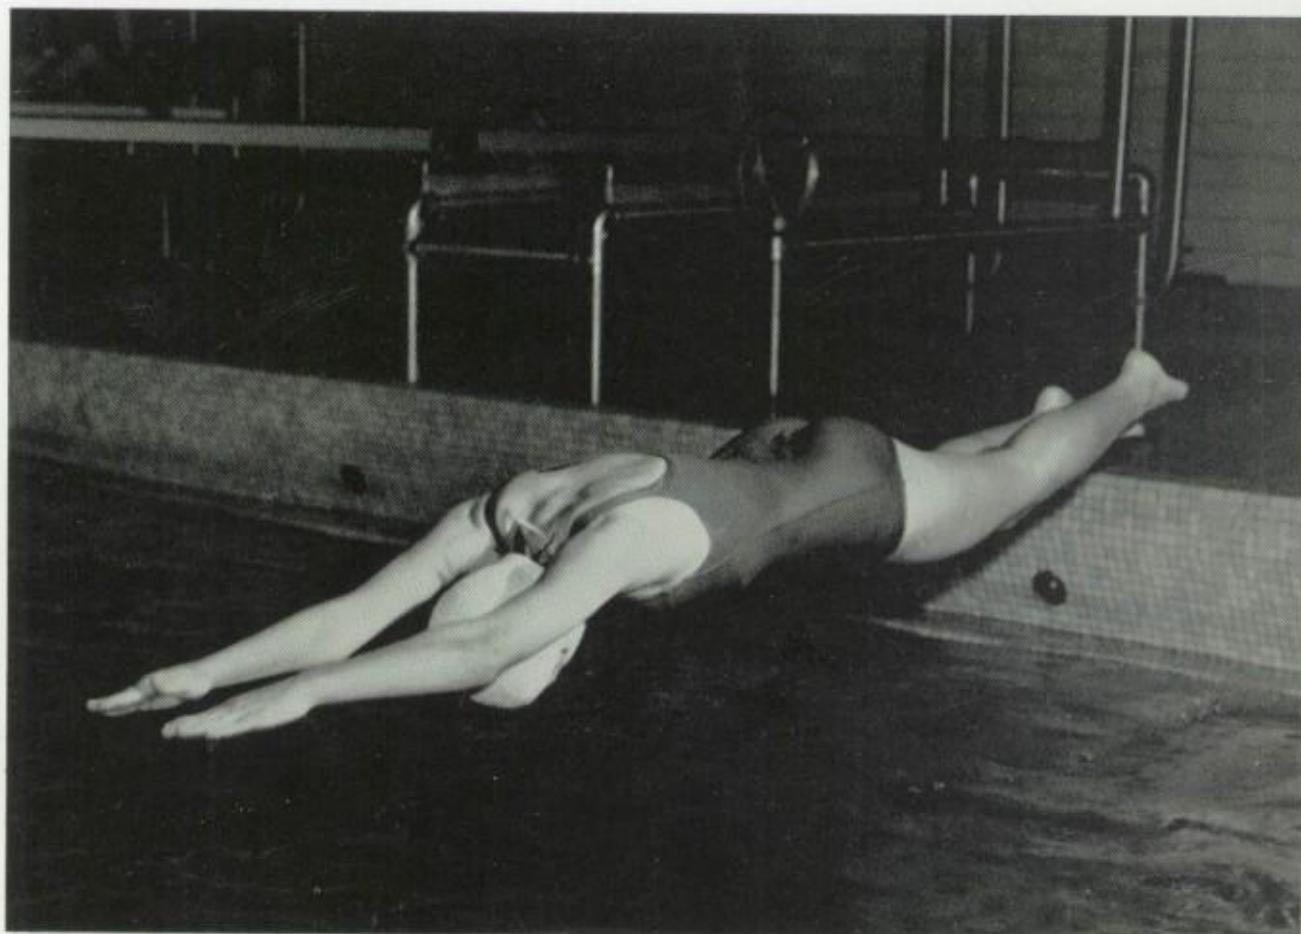

Shall we use this in the dance show?

Practice brings skill.

"Let's get that basket!" "Come on get it over the net!" These are sounds coming from the girls' gym. Morton offers the girls many sports during the year. These range from badminton, volleyball, and tennis to field hockey, soccer, and tumbling. The sports are divided into a four year program. For those girls unable to take gym, individual exercises and a less active program are offered. There are specialized classes for those qualified. These specialized classes are leadership, modern dance, and lifesaving. Morton West has a very fine curriculum in girls sports. *In Curriculum Innovations; Physical Education Organizes for the Future*, by Dr. John Nixon of Stanford University and Dr. Ann Jewett of Springfield College, Morton is cited as having good curriculum planning.

A swimmer practices her dive.

Cheerleaders

CHEERLEADERS . . . Creating school spirit at football and basketball games is the job of the two Morton West cheerleading squads. After many practice sessions, the girls do a fine job of leading the crowds. The girls must have a "C" average and must possess excellent tumbling ability, poise, personality, and a style of their own. They are judged on these traits and on the routines which are taught in spring tryouts. Once the cheerleaders have been selected, they practice the old and new routines. The privilege of being a cheerleader is truly earned by the girls in our squads.

Come on, team; let's go!

GIRLS ATHLETIC ASSOCIATION . . . The G.A.A. provides opportunities for high school girls to participate with each other in a variety of sports and related activities. The club promotes leadership, character, and sportsmanship. Under the watchful eye of Miss J. Yamasaki, the girls participate in the varied sports program which is offered. These sports range from swimming, volleyball, and

bowling to apparatus, folk dancing, and golf. At the meetings held once a month, the girls plan their activities such as an eighth grade play day and a Christmas party which acts as the initiation. At the end of the year the members hold a banquet at which awards are given to those who have earned them.

To be a member a girl must pass a skill test consisting of a forward and backward roll, headstand, cartwheel, and a limber. The members have weekly workouts at which fundamentals and form are stressed. Under the leadership of Miss E. Paolicchi, the girls prepare shows for the Homecoming parade, P.T.O., and gym show. At the banquet at the end of the year, an "M" award is given to girls who have earned a specific number of points by mastering new skills.

Who is giving a dance composition this week?

Modern Dance

MODERN DANCE . . . Modern Dance offers girls interested in creative dance an opportunity to further their knowledge of dance, to create some of their own dances, and to co-operate with other departments for shows, assemblies, and other activities. The members must have a sense of rhythm and timing. Under the guidance of Mrs. R. Hammock, the advisor of the club, they meet once a week to study composition, movement, and other elements of dance. The girls strive to develop poise and grace. The club also promotes dance exchanges with other high schools. Highlighting the year is the Modern Dance Show. The girls create their own dances, make their own costumes, and select their own music. At the end of the year, a banquet is held at which awards are given to those girls who have earned them.

Leadership

LEADERSHIP . . . Helping the gym teacher in class is the job of the student leaders. These girls take roll, organize the class, and give warm-up exercises. They are often called upon to give individual help on various skills and to act as referees. To be a leader a girl must show the interest and desire, be above average in physical education, and have a "C" average in her school work. During a year of training under Miss R. Berman, the girls learn teaching skills in the four year athletic program and how to be a good leader. The girls hold a Christmas party and a play day. To end a year of hard work, a party is held.

Dear Betty.
It's funny how easy it is to write gabes
of words in annuals of people I don't
even know, but I can't think of how to
tell you you're one of the nicest people I know.
By "nice" I mean always doing things to make
others feel good. It's been fun having you in
clothing and discussing ^(sounds better than grouping) everyone. I'm really
going to miss you next year.
I did a lot of work with you and
these girls must have a good knowledge of sports.
Happiness is being in your class.
Love ya,
Diane

Editor's Note

As the year ends, faces fade to a mere blur as they become masked with tears of departure, sighs of relief, or screams of joy. The 1964 TALON is your accurate record in which you may look back on the memorable days of your life with pride.

We of the TALON staff would like to express our thanks to the many people who have helped to compile the 1964 TALON. The excellence of the photography is the result of the hard working photographers at Root Studios and Mr. Norman Dompke. We would also like to thank Joseph Guido, who is responsible for the superb portraits of our seniors. To our new publisher, the Taylor Publishing Company, and their personal representative, Bernie Callahan, go special thanks. We also would like to thank the newest member of the staff, our advisor, Mr. Robert Hegner. Eager to learn, and learn he did, Mr. Hegner faced with brave vigor, what seemed to be an unattainable task; he helped to solve not only our production problems, but also our personal ones.

I would like to extend my personal thanks to my staff. First, I would like to thank the general staff for their hard and long hours of work. I would also like to thank the section editors for their support and untiring efforts: Jean Roberts, Denise Victor, Margaret Hart, Jeanne Bauer, Norine Bortz, and Al Podlesnick.

In conclusion I would like to express my most sincere and profound thanks to Miss Emily Hradec, whose faith enabled me to take on the task of putting out a good yearbook.

Dear Betty,

Weel three years - 1 more to go!
Were big bad Seniors now so let's
really make the most of it. See
ya next year and I hope (did
summer, too.

I love ya lots,
(Really I do)
Diane Christensen

Good luck in whatever
you are doing. I hope
you are making a lot
of money. I have
been thinking about
it. I hope you are
happy. I hope you are
loving life. I hope you
are having fun. I hope
you are doing well. I
hope you are happy. I
hope you are loving life.
I hope you are having fun.
I hope you are doing well.
I hope you are happy. I
hope you are loving life.

Dear Betty
I really wish
we could have been
in some classes together
this year. I hope we are in
some next year. Good luck
you do. I'll be looking
for you this summer.
Love,
Ruth Benkema

Dear Betty,

Congratulations on
surviving Mr. Koehler's
neurotic actions. Best
of luck in the future. See
you next year.

Don Underwood

I see Betty,
knowing was
fun. I only be
wish I could be
more like you
Hayle, & he over
next to you

Dear Betty, well
It was having
you in H.C. after all
not me do live
across the street from
each other.
I hope everything
you wish for
comes true.
Stay as you
are.
Lots of
luck
&
Love
Mary M.
